

Revive Wesleyan

Job Title: MUSIC DIRECTOR

SUMMARY ROLE DEFINITION

The primary purpose of this role is to support the Worship & Creative Arts Director in overseeing all weekend worship experiences and events across all Revive Wesleyan campuses. To support the Worship Arts Department with all musical needs, including, but not limited to, accurate chord charts, song selections, arrangements and other musical needs. Also helping to care for and encourage our Ministry Partners across all campuses and to inspire them to do the same in worship.

Reports To: Worship & Creative Arts Director

JOB RESPONSIBILITIES

- Responsible for helping to select worship songs, arrangements, new music selection and overall service flow for weekend worship services across all Revive Wesleyan campuses that convey the gospel message.
- Aid in the process of creating accurate and detailed chord charts for all worship music.
- Training, shepherding, empowering and encouraging instrumentalists and vocalists within the Revive Wesleyan Worship Arts Department while recruiting and evaluating new Ministry Partners within the department.
- Organizing and preparing weekend services within Planning Center Online. Here is where team members are scheduled, service order is solidified and all resources (music, song sheets, arrangements, service flow, etc.) are available for teams to access.
- Excellent skills in worship/music software, including, but not limited to Ableton Live, MultiTracks, and MainStage.
- Responsible for setting up all musical gear to be used in weekend worship experience across all Revive Wesleyan campuses.
- Responsible for being apart of weekend services, including, but not limited to, play on weekend worship team, live music directing and controlling of Ableton.
- In addition to the Worship Arts Department, work closely with Video Production Director to select film scores and/or create and record our own scores for videos produced at Revive Wesleyan.

EDUCATION

Undergraduate Degree

WORK EXPERIENCE

- 3-5 years of relevant experience in music directing and worship leading for a medium to large sized church organization.
- Strong organizational and project management skills.
- In-depth knowledge of music software, music theory, chord chart building, etc.
- An understanding of basic AVL production.
